### Report on the Audit of the Financial Statements

#### Opinion

We have audited the accompanying financial statements of Invictus Leadership Academy (a nonprofit organization), which comprise the consolidated statement of financial position as of June 30, 2023, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Invictus Leadership Academy as of June 30, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Invictus Leadership Academy and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### Emphasis of Matter – Changes in Accounting Principle and Policy

As described in Note A to the financial statements, in the fiscal year ended June 30, 2023, Invictus Leadership Academy adopted new accounting guidance, *Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 842, Leases*. Our opinion is not modified with respect to this matter.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Invictus Leadership Academy's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

## **Auditor’s Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Invictus Leadership Academy’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Invictus Leadership Academy’s ability to continue as a going concern for a reasonable period of time.

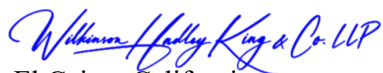

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information, as identified in the Table of Contents and as required by the *2022-23 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information, as identified in the Table of Contents, are fairly stated, in all material respects, in relation to the financial statements as a whole.

### **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated December 15, 2023, on our consideration of Invictus Leadership Academy's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Invictus Leadership Academy's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Invictus Leadership Academy's internal control over financial reporting and compliance.

Notes to the Financial Statements

Year Ended June 30, 2023

---

## A. Principal Activity and Summary of Significant Accounting Policies

### *Organization Structure*

Invictus Leadership Academy (the School), is a nonprofit organization, organized in the State of California. The School's mission is to provide an exceptional TK-5 education that supports every child fulfilling their full academic potential. Invictus Leadership Academy was formed as a charter school pursuant to California Education Code Section 47600 under a charter agreement with the Los Angeles Unified School District.

### *Basis of Accounting*

The financial statements were prepared in accordance with accounting principles generally accepted in the United States of America as applicable to not-for-profit organizations. The School uses the accrual basis of accounting, under which revenues are recognized when they are earned, and expenditures are recognized in the accounting period in which the liability is incurred.

### *Cash and Cash Equivalents*

The School considers all cash and highly liquid financial instruments with original maturities of three months or less, which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents.

### *Accounts Receivable*

Accounts receivable consist primarily of non-interest bearing amounts due to the School for federal, state, and local grants and contracts receivable. The amounts in accounts receivable are considered fully collectable and as such there has not been an allowance for uncollectable accounts or discount established for the School.

### *Prepaid Expenses*

Prepaid expenses are recorded to account for expenditures during the benefiting period.

### *Property and Equipment*

The School records property and equipment additions over \$5,000 at cost, or if donated, at fair value on the date of donation. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets ranging from 3 to 30 years, or in the case of capitalized leased assets or leasehold improvements, the lesser of the useful life of the asset or the lease term. When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any resulting gain or loss is included in the statements of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed in the current period.

The School reviews the carrying values of property and equipment for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment during the year ended June 30, 2023.

**Invictus Leadership Academy**  
Notes to the Financial Statements (Continued)  
Year Ended June 30, 2023

---

*Leases*

The School leases facilities and equipment which are utilized in its charitable purpose. The School determines if an arrangement is a lease at inception. Operating leases are included in the operating lease right-of-use assets, other current liabilities, and operating lease liabilities in the Statement of Financial Position. Financing leases are included in the financing lease right-of-use assets, other current liabilities, and financing lease liabilities in the Statement of Financial Position.

Right-of-use assets represent our right to use an underlying asset for the lease term and lease liabilities represent our obligation to make lease payments arising from the lease. Operating lease right-of-use assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. As most of our leases do not provide an implicit rate, we use our incremental borrowing rate based on the information available at commencement date in determining the present value of lease payments. The operating lease right-of-use asset also includes any lease payments made and excludes lease incentives. Our lease term may include options to extend or terminate the lease when it is reasonably certain that we will exercise that option. Lease expense for lease payments is recognized on a straight-line basis over the lease term.

The lease agreements do not contain any material residual value guarantees or material restrictive covenants.

The School has lease agreements with lease and non-lease components, which are generally accounted for separately. The School has elected to apply the short-term lease exemption to any leases with terms of 12 months or less or any leases below the threshold of \$5,000.

In evaluating contracts to determine if they qualify as a lease, the School considers factors such as whether they have obtained substantially all of the rights to the underlying asset through exclusivity, if the School can direct the use of the asset by making decisions about how and for what purpose the asset will be used and if the lessor has substantive substitution rights. This evaluation may require significant judgement.

In allocating consideration in the contract to the separate lease components and the non-lease components, the School uses the stand-alone prices of the lease and non-lease components. Observable stand-alone prices are used, if available. If the stand-alone price for a component has a high level of variability or uncertainty, this allocation may require significant judgment.

*Investments*

The School records investment purchases at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values on the statement of financial position. Net investment return/(loss) is reported in the statement of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less external and direct internal investment expenses.

**Invictus Leadership Academy**  
Notes to the Financial Statements (Continued)  
Year Ended June 30, 2023

---

*Net Assets*

Net assets, revenues, gains and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

*Net Assets With Donor Restrictions* – Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates those resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

*Revenue and Revenue Recognition*

The School recognizes revenue from sales when the products are transferred, and services are provided. The School records special events revenue equal to the cost of direct benefits to donors, and contribution revenue for the difference. Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met. Some federal, state, and local contracts and grants are conditioned upon certain performance requirements and the incurrence of allowable qualifying expense. In such cases the revenue is recognized once all performance requirements have been met.

*Donated Services and In-Kind Contributions*

Volunteers contribute significant amounts of time to our program services, administration, and fundraising and developing activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles.

*Advertising*

Advertising costs are expensed as incurred and approximated \$7,836 during the year ended June 30, 2023.

*Functional Allocation of Expenses*

The costs of program and supporting services activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the program and supporting services benefited.

*Compensated Absences*

Accumulated unpaid employee vacation benefits are recognized as liabilities of the School. The balance of the liabilities is recognized in the financial statements at year end.

**Invictus Leadership Academy**  
Notes to the Financial Statements (Continued)  
Year Ended June 30, 2023

---

*Income Taxes*

The School is a 509(a)(1) publicly supported non-profit organization that is exempt from income taxes under Sections 501(a) and 501(c)(3) of the Internal Revenue Code. The School is also exempt from California franchise or income tax under Section 23701d of the California Revenue and Taxation Code. The School may be subject to tax on income which is not related to its exempt purpose. For the year ended June 30, 2023, no such unrelated business income was reported and, therefore, no provision for income taxes has been made.

The School follows provisions of uncertain tax positions as addressed in ASC 958. The School recognizes accrued interest and penalties associated with uncertain tax positions as part of the income tax provision, when applicable. There are no amounts accrued in the financial statements related to uncertain tax positions for the year ended June 30, 2023.

*Estimates*

The preparation of financial statements in conformity with generally accepted accounting principles requires the School to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, and those differences could be material.

*Financial Instruments and Credit Risk*

The School manages deposit concentration risk by placing cash, money market accounts, and certificates of deposit with financial institutions believed by the School to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, the School has not experienced losses in any of these accounts. Credit risk associated with contributions receivable is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from government agencies.

*LCFF Revenues and Payments in Lieu of Property Taxes*

The School's primary funding source is a combination of local property taxes and state revenues. The California Department of Education computes the local control funding formula (LCFF) on statewide charter school rates multiplied by the schools' average daily attendance (ADA) as reported at the second principal apportionment period (P2). The result is then reduced by property tax revenues transferred from the District to the school, which is funding in lieu of property taxes, and education protection account funds paid by the state under Proposition 30. The remaining balance is paid from the state general fund, in the form of LCFF State Aid. LCFF funding sources, inclusive of state and local sources, made up 68.88% of the School's revenue.

The School is not at risk of losing these funding sources, as long as the School maintains a steady level of ADA, as these funding sources are mandated by the California State Constitution to fund schools.

FASB Accounting Standards Update 2023-04 - Liabilities (Topic 405): Amendments to SEC Paragraphs	Aug-23

These updates were issued to provide clarification and simplification in accounting for certain transactions. In addition, they provide for additional note disclosures to create transparency involving these transactions. The School has adopted provisions of effective Accounting Standards Updates. The issuance of these standards updates resulted in the following changes for the School:

Leases

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Codification (ASC) 842, *Leases* to increase transparency and comparability among organizations by requiring the recognition of right-of-use assets and lease liabilities on the Statement of Financial Position. Most prominent among the changes in the standard is the recognition of right-of-use assets and lease liabilities by lessees for those leases classified as operating leases. Under the standard, disclosures are required to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases.

The School adopted the standard effective July 1, 2022 and recognized and measured leases existing at, or entered into after July 1, 2022 using a modified retrospective approach. The standard had a material impact on the statement of financial position but did not have an impact on the statement of activities, statement of functional expenses, or statement of cash flows.

*Subsequent Events*

In preparing these financial statements, the School has evaluated events and transactions for potential recognition or disclosure through December 15, 2023, the date the financial statements were available to be issued.

**Invictus Leadership Academy**  
Notes to the Financial Statements (Continued)  
Year Ended June 30, 2023

**B. Liquidity and Availability**

The School's financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprise the following:

Cash and cash equivalents	\$	1,292,404
Accounts receivable		376,284
Total	\$	1,668,688

**C. Cash and Cash Equivalents**

The School's cash and cash equivalents on June 30, 2023, consisted of the following:

Cash in bank accounts	\$	1,292,404
Total cash and cash equivalents	\$	1,292,404

*Cash in Bank*

The School's cash, (\$1,292,404 as of June 30, 2023) is held in financial institutions which are insured by the Federal Deposit Insurance Corporation (FDIC) up to a limit of \$250,000 per depositor. As of June 30, 2023, the School held \$1,054,881 in excess of the FDIC insured amounts. The School reduces its exposure to risk by maintaining such deposits with high quality financial institutions. The School has not experienced any losses in such accounts and believe it is not exposed to any significant credit risk.

**D. Accounts Receivable**

As of June 30, 2023, the School's accounts receivable consisted of the following:

Federal Government		
Special Education	\$	11,451
Child Nutrition		23,842
Title I		22,635
Title II		2,043
Title IV		105,363

## A. Purpose of Schedules

### LEA Organization Structure

This schedule provides information about the School's charter number, district of authorization, members of the governing board, and members of administration.

### Schedule of Average Daily Attendance

Average daily attendance (ADA) is a measure of the number of pupils attending classes of the School. The purpose of attendance accounting from a fiscal standpoint is to provide the basis on which apportionments of state funds are made to charter schools. This schedule provides information regarding the attendance of students at various grade levels and in different programs.

### Schedule of Instructional Time

This schedule provides information regarding compliance with Education Code §47612.

Compliance with Education Code §47612 includes the following:

- 1) Charter schools may operate up to 5 tracks for attendance reporting.
- 2) Each track must be operated for a minimum of 175 days.
- 3) Each track must offer the required number of instructional minutes specified in Education Code §47612.5.
- 4) No track shall have less than 55% of its school days before April 15 each school year.

Compliance with Education Code §47612 involves offering a minimum number of annual instructional minutes as defined by grade level.

An LEA that closed due to a qualifying emergency in the 2022-23 fiscal year may submit a Form J-13A to avoid a penalty for not meeting the annual instructional day requirements. The School did not have an emergency closure and as such there are no credited days to account for on the Schedule of Instructional Time.

### Schedule of Financial Trends & Analysis

This schedule displays summarized information from the current year and two previous years, along with budget information for the upcoming year. The information from this schedule is used to evaluate whether there are any financial indicators the School will not be able to continue operations in the next fiscal year. Based upon the information presented, the School appears to have sufficient reserves to continue operations for the 2023-24 fiscal year.

### Reconciliation of Unaudited Actual Financial Report to Audited Financial Statements

This schedule provides information necessary to reconcile between the audited financial statements and the financial data submitted to the sponsoring school district via the unaudited actual financial report.

## Other Independent Auditor's Reports

Independent Auditor's Report on Internal Control Over Financial Reporting and on  
Compliance and Other Matters Based on an Audit of Financial Statements  
Performed in Accordance with *Government Auditing Standards*

To the Board of Directors  
Invictus Leadership Academy

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Invictus Leadership Academy (a nonprofit organization), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 15, 2023.

**Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Invictus Leadership Academy's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Invictus Leadership Academy's internal control. Accordingly, we do not express an opinion on the effectiveness of Invictus Leadership Academy's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

**Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Invictus Leadership Academy's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on State Compliance and on Internal Control Over  
State Compliance

To the Board of Directors  
Invictus Leadership Academy

**Report on Compliance for Applicable State Programs**

**Opinion on Each Applicable State Program**

We have audited Invictus Leadership Academy's compliance with the requirements specified in the *2022-23 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, prescribed in Title 5, *California Code of Regulations*, Section 19810 applicable to the Invictus Leadership Academy's statutory requirements identified below for the year ended June 30, 2023.

In our opinion, Invictus Leadership Academy complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its applicable state programs for the year ended June 30, 2023.

**Basis for Opinion on Each Applicable State Program**

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of *2022-23 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, prescribed in Title 5, *California Code of Regulations*, Section 19810 (the Audit Guide). Our responsibilities under those standards and the Audit Guide are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Invictus Leadership Academy and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each applicable state program. Our audit does not provide a legal determination of Invictus Leadership Academy's compliance with the compliance requirements referred to above.

**Responsibilities of Management for Compliance**

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Invictus Leadership Academy's state programs.

**Auditor's Responsibilities for the Audit of Compliance**

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Invictus Leadership Academy's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Audit Guide will always detect material noncompliance when it exists.

The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Invictus Leadership Academy’s compliance with the requirements of each applicable state program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Audit Guide, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Invictus Leadership Academy’s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Invictus Leadership Academy’s internal control over state compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Audit Guide, but not for the purpose of expressing an opinion on the effectiveness of Invictus Leadership Academy’s internal control over compliance. Accordingly, no such opinion is expressed.
- Select and test transactions and records to determine the Invictus Leadership Academy’s compliance with the state laws and regulations applicable to the following items:

	Procedures Performed
<b><u>School Districts, County Offices of Education, and Charter Schools</u></b>	
T. California Clean Energy Jobs Act.....	N/A

DD. Determination of Funding for Nonclassroom-Based Instruction.....	N/A
EE. Annual Instructional Minutes - Classroom Based.....	Yes
FF. Charter School Facility Grant Program.....	Yes

The term N/A is used above to mean either the School did not offer the program during the current fiscal year or the program applies to a different type of local education agency.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### **Report on Internal Control over State Compliance**

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Audit Guide. Accordingly, this report is not suitable for any other purpose.
